**National Association for  
Business Teacher Education**

*Institutional Division of the National  
Business Education Association*

### Information on NABTE:

The National Association for Business Teacher Education (NABTE) is the institutional division of NBEA. Its primary purpose is to promote business teacher education by providing national leadership and services to its member institutions and business teacher educators. Membership is open only to such colleges and universities that offer business teacher education curriculums approved by their respective State Departments of Education for the certification of business teachers. NABTE Institutional Representatives must be current professional members of NBEA.
